

GERMAN SPORT GUNS

SCHMEISSER • CAL. .22 LR

The StG 44 (Sturmgewehr 44) was developed in Germany during WWII and was the first "Storm" (or assault) rifle to see major deployment. Retaining as many of the original specs as possible, the GSG 22.LR version of this piece of history flawlessly sends 25 rounds of ammo accurately and quickly downrange, and is perfect for casual plinking, target shooting and hunting. Stunning wood finishing, easy-to-adjust iron sights, and simple safety features add to the StG 44's superb level of quality. For US customers packed in an old-world style pine crate Made by the Amish craftsman, the StG 44 offers everything to make any shooting experience a memorable one.
